CHAIN Monkey™
adjuster/end termination for 7/32" Grade 80 chain

CHAIN Monkey™ used as adjuster/end termination

Force applied between 45° and perpendicular to fastener axis

FORCE

CHAIN Monkey™ must be used with flat washer and lock washer

1 CHAIN Monkey™ fitting_WLL 250 lbs. 7:1

Force applied between 45° and parallel to fastener axis

FORCE

CHAIN Monkey™ must be used with flat washer and lock washer

1 CHAIN Monkey™ fitting_WLL 250 lbs. 7:1

The CHAIN Monkey™ can also be used with its companion fitting, the CHAIN Monkey™ SC.
The CHAIN Monkey™ SC is used for a direct connection to Strut Channel like Unistrut.
Both fittings can be stacked (used in tandem) to double the WLL of the connection.
For more CHAIN Monkey™ hardware infomation, please visit the Downloads page of our website.
NEVER EXCEED the Work Load Limit (WLL)

CHAIN Monkey™ used as inline adjuster
